Afterschool Program!

Bastrop ISD offers a wonderful after school program for students in grades PK-6th. Some of our great benefits are:

- ★ ***Children wait for their parents in a safe, warm and caring environment. Each child is offered a healthy snack.***
- ★ ***Children have a safe learning environment to do homework and receive assistance if needed.***
- ★ ***Children can burn off excess energy during recess.***
- ★ ***Students are engaged in enrichment projects throughout their stay from arts/crafts, science experiments and more.***
- ★ ***Best of all, we have the best pricing for afterschool care around and we are located on every BISD elementary campus!***
- ★ ***Students attending an intermediate school can be bused to the nearest after school site.***

Full-Time \$175 (3-5 days) and Part-Time \$120 (1-2 days)

The program is licensed by Texas Family & Protective Services and is staffed with Bastrop ISD employees. If you qualify for free or reduced lunches, you may qualify for supplemental childcare assistance by the Workforce Solutions Rural Capital.
