

ANNUAL REPORT OF HIGHLY QUALIFIED TEACHERS

The History

- Report required by TEA as part of No Child Left Behind Act
 - First completed in January 2004

At that time Bastrop ISD reported 92.98% of its teachers were HQ

- Included are all elementary grade level teachers, core academic area secondary and special education teachers
- Specific, stringent criteria used to determine Highly Qualified status
- Separate report completed for each campus (secondary by section)

2010-2011 Data

(Data reported as of 9/15/10)

- **Bastrop ISD reported that 99.71% of its teachers are HQ**
 - The current State average is **99.39%**
 - Report will be updated at least three times per year
 - Required to make results public – information can also be found on the BISD web site
- **Bastrop ISD** has since amended its first submission and is now reporting **100% HQ.**
